 Regarding our educational program to New York, NY.
Registration Deadline: 09/22/2008

Dear Parents and Students,

I am pleased to inform you that I will lead a group of Bellingham High School students on a program to New York, NY. This program is a **once in a lifetime opportunity** to discover American history, our country's heritage, and to fully grasp the meaning of the lessons taught in the classroom in a **fun and interactive way**.

I have chosen to travel with WorldStrides, an accredited student travel organization, because of their exceptional service, their 40 years of experience, their safety records, and their preventive measures that ensure **learning in a safe and fun environment**. I will chaperone the program with other teachers as needed, and throughout the program our group will be guided by a WorldStrides certified Course Leader. Since this is not a school sponsored trip, we will not be attending as representatives or employees of the school.

Details about our program are listed below and the **sample itinerary** on the back of this letter presents an overview of what a group does on a typical program. Please review the enclosed brochure and visit www.worldstrides.org for extensive information about the company, the destinations and sites, the educational value of the program, pictures, and videos. Join MyTrip on www.worldstrides.org for important announcements and specific information about our program.

Our program promises to be an **inspiring experience** that will stay with participants throughout their lives. The hands-on activities will create the right balance of fun and education to make history more meaningful. You can register right away by using the registration form attached at the bottom of this letter. You can contact me at school at (360) 676-6575. There will be a trip information meeting to discuss this wonderful opportunity; details will be announced shortly.
